Possible Emergency Siren Test, Tuesday, Dec. 13, 2011

Kilgore, TX -- On Tuesday, December 13, 2011, the Kilgore Police Department, Kilgore Fire Department and Kilgore Rescue will reprogram all communication radios in order to comply with a federal narrowbanding mandate. During this process it may be necessary to activate the Kilgore Emergency Warning Sirens. We want the public to be aware this is only a test. The activations will be preceded and concluded with a message informing everyone of the test. When you hear the Sirens on Tuesday do not be alarmed, remember, it is only a test.
